

CHRYSLIS CONVERSATIONS

WHERE **TOMORROW'S LEADERS** EMERGE TODAY

TALK ISSUES, TALK CHANGE...
CHRYSLIS CONVERSATIONS

Chrysalis Conversations is an exciting opportunity for Year 11 and 12 students to interact with academics, industry experts and students from around the world to discuss world issues.

The Chrysalis Conversations is a series of Q&A panel discussions about global contemporary issues, presented by IES (International Education Services) in collaboration with The University of Queensland.

The topic of discussion for the first series of conversations is how are the Social Sciences creating change in a rapidly evolving globalised society? And is brought to you by the Faculty of Humanities and Social Sciences.

Students' interaction and questions will be captured through an engaging mobile app. Prizes will be awarded to students with the most insightful comments and questions.
